

### VISITORS IN P1/ P2

Some visitors came to P1/ P2 during last week to meet the children, as Mr Rankin brought in one of his lambs for the pupils to see. They have been learning all about the farm in class, so were able to ask some very good questions to a 'proper farmer'

## Weekly Update

Monday 3rd April 2017

### HOCKEY SUCCESS

Well Done to our hockey team , who did themselves and their school proud at the Ulster Hockey McCloy Cup Finals. Playing 5 group matches, we managed one win (Maine Integrated PS 2-0), two draws (Sullivan Upper 0-0 and Templepatrick 1-1) and two defeats (Methody Prep 1-0 and Downshire PS 2-0). This was good enough to secure 3rd place and qualify for the Q-F stages of the main cup , where we played Maralin PS, losing 1-0, and then Mossley PS, losing 3-0. For all but one, this was only the 2nd experience of competitive hockey. It was great to see how much they have improved . Hopefully this will be a sport we can build in school over the next few years!
