Bready Jubilee Primary School

Weekly Update

Monday 4th September 2017

Some of our new P1 pupils have been in school today. They have been working very hard and settling well with Mrs Vance and Mrs Connor. We look forward to welcoming the others later this week and next week.

CONSENT FORM 2016/17

Today, you will have received the parental consent form. Please return the consent form to the school office asap. We are unable to up-date our web site or display photographs of your child without written permission.

MEDICINES

If your child needs to take **prescribed medication** during school hours, please come to the school office and sign a consent form.

This applies particularly to pupils with asthma related conditions. If your child needs to use inhalers at particular times, it is up to parents to ensure school has 'in date' medicines and equipment to keep in school, as well as the pupil carrying with them each day.

BREAKFAST CLUB

Breakfast Club, now beginning at 8:15 am to help facilitate earlier drop off for those parents who require it, is organised and run as part of the Extended Schools Programme and not the School Meals Service, therefore breakfast needs to be paid for each morning at the time of purchase.

Children will never be refused breakfast if they arrive without money but for ease of management for the staff please accommodate us with this.

BOARD OF GOVERNORS

Rev Irene Lyttle, St Johns, Dunnalong is retiring from her position at the end of this month. She has been a very valued member of the Board of Governors in school for a good number of years. I would like to thank her for all that she has done in her position as a school governor and wish her well in her retirement.

The parent representatives on the School Board of Governors are:

- Mrs Wendy Barnett and
- Mrs Lynne O'Neill.

Contact with either of your representatives may be made via the school office.

DATA COLLECTION SHEET

If there are any amendments to be made to the details we hold for your child, please highlight these in red and return the information to the school as soon as possible. Due to current Human Rights Data Protection Legislation it is essential that the school is kept up to date with all relevant information. The school is placing the obligation upon you to provide us with whatever information is necessary. You must inform the Principal if there are any court orders or parental responsibility issues relating to your child for example; a Parental Responsibility Order or Non-Molestation Order. All such information will be treated with the utmost confidence and will only be disclosed to those staff who need to know.

PARENT MEETINGS

This year, parents will have a 'Meet The Teacher' meeting early October, where your child's class teacher will meet with parents, as a group, to share some school and home 'expected' routines and give an idea of expectations and planned work for the year.

Early in the Spring term, teachers will conduct parent interviews, where you will have the chance to hear about your child's progress and any planned work moving forward.

We hope parents see the benefit of this, as previous parent interviews were very early in the school year.

SCHOOL HOMEWORK FOLDERS (Purple carry bags)

Due to restrictions on the school budget we are unable to supply these free to the children. However these are available to purchase from the school office priced at £3.75.
