

LAUNCHING 'OURSCHOOLSAPP' NEXT WEEK...

What is OurSchoolsApp?

OurSchoolsApp is a personalised app for your parents, which allows them to keep updated with school information, news, calendar events and contact information. The app is free for parents and carers to download and use.

All parents should be able to download the app without needing to contact the school, however if there are any issues you will need to contact our support team. Please don't ask parents to contact us directly.

We will send an information leaflet home next week giving details of how you can download and start using the app on your device

Bready Jubilee Primary School

Weekly Update

Monday 16th April 2018

We want to welcome everyone back to school, for what will be a very busy third term in school. There are going to be lots of trips, activities, celebrations, music and sporting events in school this term. Keep an eye on Facebook and Twitter and the exciting launch of our very own Bready Jubilee School App next week. We hope this

APRIL FEES

Tuition fees due for March are:

Woodwind - £14.00.

Violin - £20.00.

Please send this payment to the school office in a clearly named envelope.

SMARTIE TUBES

A huge thank you for your kind generosity as you know all money received is used for school resources. We managed to raise £1066.

MILK MONEY

Milk money for this term is £10.00, please send to the school office by Wednesday 18th April.

DOODLE MATHS

Doodle Maths was launched throughout our school during Term 1. It is an app which is tailored to each individual child and adapts to their needs. It allows children to work at their own pace and will help them to catch up, consolidate or even get ahead in maths. The app itself is available on all platforms and is FREE. We have purchased a licence for each child and you will have received their login details during Term 1.

Each Friday during Term 3 we are going to announce the Top 3 Doodlers in each class and these children will receive a prize and a certificate. To become the Top Doodler your child must have earned the highest number of stars during that week. Stars are awarded for completing the daily activities and playing the games.

If you are experiencing any difficulties in accessing this app at home please let us know and we will do our best to help. Don't forget to download the Parent Connect App too so you can see your child's progress for yourself. Doodlemaths.com or search for Doodle Maths on

SCHOOL HOLIDAYS-CHANGE OF DATE

Due to the upcoming election, Thursday 3 May, school will be closed to be used as a polling station. As a result, we are changing our May bank holiday weekend dates. School will now be closed on Thursday 3 May (election), Friday 4 May and Monday 7 May. It will no longer be closed on Friday 25 May, but will be on Monday 28 May. Apologies in advance if this causes disruption, but it does allow more continuity for the pupils.

EASYFUNDRAISING APP

To date £355.47 donations has been raised so far from easyfundraising. £169.94 of these donations has been confirmed for payment to date and paid into the Friends of Bready account. The easyfundraising app can be used all year around so don't forget to use it and support Bready Jubilee Primary School. Monies raised from this will be used to purchase prizes for the use of Doodle Maths and Accelerated Reader, thus benefitting pupils across the whole school. Thank you to everyone who continues to use this.

CONGRATULATIONS

Today we had a very young visitor to school. Little Miss Lilli Beth. We would like to take this opportunity to say a huge congratulations to Miss Friel on the birth of her daughter, though we have to apologise for being a few weeks late in announcing!!
